South West Metro Basketball Junior Domestic Competition Overview

General game rules will be played according to the current FIBA Official Basketball Rules unless otherwise specified in this document. The SWMBI website is the primary point of reference for fixtures, game times and competition ladders - www.piratesbasketball.net.au

The competition will be conducted in age groups as determined by the Competition Manager prior to season commencement. Each season will generally consist of a grading period of 3 or 4 rounds. Teams may change divisions during this time at the discretion of the club or Competitions Manager, while no competition points or player eligibility is counted during this time.

After grading the season proper will commence followed by two weeks of finals. Teams must play at least two (2) of the grading rounds to enable the placement of a team within an age group division. Clubs/teams who only play one (1) Grading round, will be subject to division placement at SWMBI's discretion.

At the conclusion of the grading period, the Competition Manager reserves the final decision to determine the placing of teams into divisions for season commencement. The Competition Manager also reserves the right to review teams during the season, and if deemed necessary for the betterment of the competition, change their division.

Decisions when these rules are silent or unclear:

If these rules are silent on a matter in relation to any SWMBI domestic competition, the Competition Manager in conjunction with the General Manager or Operations Manager will decide on how the matter is to be dealt with.

Any decision made shall be binding on to everyone who is bound by these rules. The decision made is final to the unique circumstances that were presented at the time. These decisions do not set a precedent for future decisions. The SWMBI Competition Rules will be immediately updated and republished upon any decision made.

'Club' vs 'Independent' Definition:

To be recognised as a "Club" within SWMBI, the Club must comprise of five (5) or more teams, be an Incorporated Association with the Queensland Office of Fair Trading, and abide by the laws and rules that govern the Incorporation Act. To be an affiliated club with SWMBI, an annual Affiliation Agreement must be signed and submitted by the club prior to Season 1.

"Independent" teams may apply to SWMBI to nominate teams in our competitions.

Independent team contacts are welcome to attend meetings to stay informed, but hold no voting rights or powers, except for those that apply to our standard registered members.

1.

ELIGIBILITY

1.1

PLAYER ELIGIBILITY

All players must be registered members of both South West Metro Basketball Inc. (SWMBI) and Basketball Queensland to compete in SWMBI competitions. Registrations must be kept up to date and this is the responsibility of the member and their club. Games played by unregistered players do not count towards finals eligibility and teams may be forfeited if deemed to have fielded unregistered players.

PENALTY: RULE 11.1

1.2

Age group eligibility shall be determined by the age of the player as at 31st December of that year. (e.g. a player who will be aged 12 years as at 31st December will be required to play in Under 14 during that year)

PENALTY: Rule 11.1

1.3

If changing SWMBI clubs between seasons, a player shall be required to submit to SWMBI an approved written transfer from their former club to be eligible play for their new club. Transfer forms are available on the SWMBI website - www.piratesbasketball.net.au.

No transfers can be requested once a season has commenced and a player has participated in a game/s, which shall include grading rounds.

PENALTY: Rule 11.1

EXCEPTION: Exemptions may be granted by SWMBI under certain circumstances. Any request must be in writing and submitted to the SWMBI Competitions Manager for review. Any player, where approval is granted mid-season, may or may not be eligible for finals, and is dependent on the timing of the transfer and at the discretion of SWMBI.

1.4

Where a Club has more than (1) team in the same division within an age group, a player shall not be eligible to play in more than (1) team within that division after the prescribed grading period has ended for that particular season.

PENALTY: Rule 11.1

EXCEPTION: Grades where there are no finals (Under 8 & 10)

1.5

A player shall not be eligible to participate in any fixture whilst they are suspended by the SWMBI Judiciary Committee or by way of the SWMBI Domestic Disciplinary Process (automatic 2-week ban).

PENALTY: Rule 11.1

1.6

A maximum of ten (10) players are permitted to be registered to a team and participate in games. A maximum of ten (10) eligible players can be listed for Finals.

1.7

All competition games will use the Basketball Connect scoring application. This app requires players to have a current registration with Basketball Queensland and SWMBI to appear and have their stats recorded plus games count towards finals eligibility.

- a) It is the team coach/manager's responsibility to ensure all and only present players are checked into the application.
- b) It is the club's responsibility to ensure all their players are registered and have been placed into their team on Basketball Connect (and make any changes when necessary) so they correctly appear on the scoring application.

- c) Games will not be retrospectively counted toward finals eligibility if the player was not registered at the time, or the club had not placed them into the team on Basketball Connect. Players not displayed in the Basketball Connect application for a given game will also be deemed as unregistered and a forfeit may apply if they participate (with the exception of technical issues where the player/s would have otherwise been eligible)

PENALTY: Rule 11.4

- d) A player who has sustained an injury that restricts them from taking the court, may be marked as playing, only if they are present at the game. The court supervisor/referees must be advised of this intention prior to the game. The player must be checked into the scoring app for the game to count (as if they were playing).

PENALTY: Rule 11.4 (where player is checked in but was not actually in attendance)

- 1.8
 - a) All players must play in their correct age group. If a club cannot field a team in a player/s age group, a written submission must be made by the club to the Competitions Manager to seek approval for them to play in a higher age group only.
 - b) A player may play any number of games in the next higher age group without affecting that player's eligibility to play in his/her normal age group. However, if a player does not meet finals eligibility in their correct age group then they will not qualify for any higher age group finals. Players can play in a higher age group for a given round **ONLY IF** they have played in their own age group also.
 - c) Players may play a maximum of four (4) games in a higher division within their own age group (e.g. an U14 PURPLE division player is filling in for his/her club's GOLD division team). Once the player participates in a fifth game for a higher division team, they will become locked to that division and cannot return to their original lower division team.
 - d) A player can only "play down" to the next division within their age group for a maximum of four (4) games and clubs must ensure they comply with **Rule 1.21** in this regard.

PENALTY: Rule 11.4

- 1.9 Players cannot play up more than one age group - e.g. a player can progress from Under 12 to Under 14, but not to Under 16 or higher. If a player wishes to do this however, prior written consent from their parents must be provided to the Competitions Manager.

- 1.10 A GOLD division player "playing up" into the next highest age group may do so only in Purple or Gold Divisions. They cannot participate in Red or White divisions in the higher age group,

- 1.11 Players have the option to play across two (2) Clubs, but only if their Primary Club does not offer the higher age group "extension game".

For example, an Under 14 Gold player in Club "A" wants to also play in the Under 16 Gold competition, but Club "A" does not have an U16 Gold team. The player is allowed to play for Club "B" in their U16 Gold team, without the requirement of a formal transfer or affecting the player's status with Club "A". However, should there be a time clash, their own age group game (Under 14) must always take precedence.

- 1.12 Players cannot play across two (2) Clubs in the same age group.

- 1.13 Players may join the competition late up until there is less than 50% of the season remaining, after which point players will not be permitted to be added to a team. Normal finals eligibility rules will apply regardless of when a player joins the competition.

Any exemption to add a player late must be put in writing to the Competitions Manager for review and determination. Any late addition permitted would not be eligible for finals (as they would not reach eligibility).

FINALS ELIGIBILITY

- 1.14** A player shall only be eligible to participate in Finals if they have played the minimum total of required games for a team during the season. Minimum eligibility is calculated at 50% + 1 of all games for that season (rounded down). “Bye” rounds will count as a game played, but only if the player had commenced playing for the team prior to that bye/s.

(Example: A season has sixteen (16) scheduled round games. For a player to be finals eligible for their team they must have played a minimum nine (9) games - 50% (8) + 1.)

PENALTY: Rule 11.1

- 1.15** Grading period games are not counted toward a player’s finals eligibility, nor are they included in the calculation for the minimum total games required. Only season proper (Round 1 onward) shall be taken into account for finals eligibility purposes.

- 1.16** Where a **new player** (*new to the sport*) joins the competition after the commencement of the season, but with less than two-thirds of the season remaining, they will be eligible to play in Finals provided that the player has played a minimum of 3 games. The player still must have joined a team with a 50% of rounds remaining to be entitled to gain finals eligibility.

A **new player** is defined as any player who has not been registered in a formal junior basketball competition within the last two (2) years. A formal junior competition is any competition run by an association affiliated with any State/Territory governing body.

- 1.17** Injured players may have games count toward their eligibility if they are in attendance of their team’s game and are checked into the scoring app as if they were playing (see **Rule 1.7d**).

Alternatively, an official doctor’s certificate outlining the player has an injury that prevents them from playing can be accepted. The certificate **must note the period of time the player was unable to play**. All games missed within this timeframe will count toward their finals eligibility. This certificate must be submitted to the Competitions Manager at least seven (7) days prior to commencement of finals.

- 1.18** A team entering the competition after season commencement must have played a minimum two-thirds of total rounds to be eligible for finals.

An existing team moving divisions mid-season at the request of SWMBI:

Eligibility for a position in the finals will be at SWMBI’s discretion and will be decided on at the time of the change in the team’s division.

Purple (2nd) – For players who have experience and confidence, but not necessarily at Gold level.

Red & White (3rd & 4th) – For lesser experienced players and players newer to the game. No representative players are permitted to play in these divisions.

Where there is no RED division conducted; the split would ideally be GOLD – players who have experience/Representative players, and PURPLE – players who are not experienced/don't play Representative basketball.

REPRESENTATIVE & RESTRICTED PLAYER GUIDELINES

1.21 a) Any player selected for

- A SWMBI junior representative first team (Gold),
- any other association's first or second* junior representative team,
- any association's NBL1 team,
- any association's QSL team, or
- any association's QSLYL team

must play in the **GOLD** division within their correct age group.

** While players from an outside association's 'second' rep team must play Gold division, they will not count toward the restricted player limit (section 1.22)*

b) Any player selected in the second, third or fourth SWMBI Representative team (Purple, Red, White), or another Association's third or fourth Representative team, are to play no lower than the **PURPLE** division within their correct age group.

c) No representative players of any association can play in a RED or WHITE division (including when playing 'up' an age group)

EXCEPTION: A Club nominating only one team in the Gold division, but is exceeding the restricted player guidelines, must either create a second Gold team or submit an exemption request to SWMBI in writing. The exemption must be approved by SWMBI, before player/s can take the court for a lower division team. The circumstances must be extenuating, with no other avenue of resolve, to be considered for approval.

PENALTY: Rule 11.1

1.22 **RESTRICTED PLAYER LIMIT**

a) GOLD division teams may only contain a maximum of **three (3)** restricted players.

EXCEPTION – Friday Night Youth League (FNYL):

FNYL teams may be comprised of no more than six (6) restricted players, being from either U16, U18, QSL, QSLYL or NBL1. The breakdown shall be

- maximum of three (3) x U16 "first team" representative players of any association
- maximum of three (3) x U18/QSLYL/QSL/NBL1 representative players of any association, regardless of the representative team's division.

- b) Players are classified as restricted if they have been selected in a SWMBI or another association's SQJBC first team (irrespective of that team's SQJBC division), or in any association's NBL1/QSL/QSLYL team.
- c) Any player classified as restricted in their own age group, and plays up outside their age group, will not count as a restricted player for that older age group team.

PENALTY: Rule 11.1

1.23 **DETERMINING RESTRICTED & REPRESENTATIVE PLAYER STATUS**

- a) Restricted or Representative players for a given season will be determined on selections made in the most recent representative season for each age group and senior levels within the 12 months prior to the commencement of Round 1 season proper.

If a player was selected in both a junior and senior representative team during this time, whichever team brings the higher restricted/representative player status shall be applied. *(e.g. If they played U18 rep second team and QSL, then QSL shall be used and the player would be considered restricted.)*

- b) If a player is selected to a representative first team during the grading period of a current season, **but before the commencement of round 1**, which makes them become newly restricted then they must be moved into a GOLD team if not already in one. **Or** if they are already in a Gold team, and this now makes that team exceed the restricted player limit, the Club must shuffle players to ensure they stay within limits.

This same policy applies if a player gains new representative status (e.g. a RED division player who wasn't in rep previously is selected for a representative third team during the grading period - they now must move to PURPLE division or higher). **See rule 1.21**

- c) Any representative team selection made during the current season after the Grading period has concluded (i.e. from Round 1 onward) that would make a player newly restricted, or newly representative, will not have this status apply to them for that season. This new restricted/representative status will apply to the player for the following season.

EXCEPTION to b) & c): see **rule 1.24** below regarding new/transferring players joining the club competition after being selected to a SWM representative team after Round 1.

- d) If a player participated in (3) or less representative games in the twelve months prior to Round 1, no restricted or representative player status shall apply to them for that season.

1.24 **TRANSFERRED REPRESENTATIVE PLAYERS JOINING MID-SEASON**

There may be instances where new players are required to join the competition midway due to having transferred from other associations after being selected in SWM representative teams:

- U12 players during Season 1 (for U12 rep)
- U14 & U16 players during Season 2 (for U16 rep)

- a) These new players must join a club team that is in their own age group and of the division applicable to them as per **rule 1.21**
(e.g.. if selected to a SWM rep first team, they must play GOLD Division in their age group. If selected to a SWM rep second team or below they must play PURPLE division or higher in their age group)
- b) Restricted player limit rules still apply for Gold division teams when taking on these new players who need to play in that division. If a club cannot accommodate a new player who is needing to participate in Gold division, that player must seek out and join another club who can.

2. **FEES**

- 2.1 Clubs will be invoiced by SWMBI each week for the previous week's games and these fees will be due within two (2) weeks of date of invoice. All independent teams must pay court fees prior to the commencement of each game.

Any Club or independent team with outstanding amounts owing to SWMBI will be subject to a notice of immediate payment of game fees prior to the next round commencing, otherwise forfeits to all their teams may be enforced. This will be communicated to the Club representative prior to being enacted. **PENALTY: Rule 11.1**

- 2.2 A nomination fee per team will be applicable for each season. This fee will be determined by SWMBI and communicated to all clubs prior to registrations opening for an upcoming season. 2.3 **Forfeit Fees**

Clubs and independent teams must notify the Competition Manager as soon as possible if their team/s intend to forfeit an upcoming game. The following fees will apply:

- (a) Any forfeit notified before 1:00pm Thursday prior to the round will be subject to the normal game fee being applied to the forfeiting team.
- (b) Any forfeit notified after 1:00pm Thursday prior to the round will be subject to double the game fee being applied to the forfeiting team. This will also apply to any team 'no-show' for games, or any instance where insufficient players arrive and no scratch-match can be played.
- (c) Teams who receive a forfeit will not be subject to any game fees, except in instances where a 'scratch match' is played and utilises paid referee/s. Teams receiving a forfeit are welcome to use the free court for shootaround/practice at no cost.

PLEASE NOTE: No adjustments will be made to rectify errors by team's scorers for any game under any circumstance.

5. PLAYING REGULATIONS & MODIFICATIONS

- 5.1**
- a) In Under 8, 10, 12 and 14 age groups "Zone Defense" will not be permitted.
 - b) In Under 8, 10 and 12 age groups, free throws may be taken from the dotted line inside the restricted area (keyway). Shooting from regular free throw line is also permissible.
 - c) Under 8 & 10 age groups will preferably play 4 on 4, however 5 on 5 will be permitted if both coaches must mutually agree (e.g. both teams have large numbers). In these age groups, the development of the backcourt and 3-second keyway rules will be encouraged but not strictly enforced.

All other competitions will be played as 5 on 5, however games can start where a team has a minimum 4 players available.

- d) Games shall be played with balls complying with Basketball Australia regulations:
 - Under 8, Under 10 & Under 12 - size 5*
 - Under 14, Under 16 Girls, Senior Girls - size 6*
 - Under 16 Boys, Senior Boys - size 7*

5.2 Sportsmanship Rule:

In the interests of respect and positive development for junior basketball, a 'Sportsmanship Rule' is to be invoked when the margin between teams reaches a certain amount in games.

The Sportsmanship Rule is mandatory and will be enforced by the game officials. The coach of the winning team **MUST** abide by this policy. If not already evident by the actions of the winning team, the game referees and/or court supervisor may also instruct the Coach whose team is leading that the Sportsmanship Rule must be invoked.

Sportsmanship Rule Explanation:

The team that is leading will allow the other team to advance the ball across the halfway line without hindrance, by using whatever respectful method the coach who is leading deems appropriate (passive defence, ¼ court defence etc.).

The rule **MUST** be invoked by the coach of the winning team, or when instructed to by game officials, once the margin between the two teams is:

- fifteen (15) points in all Under 8 and Under 10 games
- thirty-five (35) points in Division 1 games (U12 and older)
- twenty-five (25) points in Division 2 and below (U12 and older)

If the margin falls below ten (10) points for all U8/U10 games, twenty-five (25) points in Division 1 games, or fifteen (15) points in all other divisions then the coach of the winning team may resume normal play and the Sportsmanship Rule is no longer in effect. If the margin again extends to the initial threshold the Sportsmanship Rule shall then resume.
